Description:

Southampton University RFC (SURFC) are looking for an experienced, reliable and enthusiastic head coach to lead a squad of c.60 university rugby players for the 2017/18 season. We have three teams in British University & Colleges Sport (BUCS) leagues. This academic year, SURFC want to improve the standard of rugby throughout the club, maintain the first XV's Premier division status and earn promotion for the 2nd XV. The successful candidate will be supported by the committee, an existing coaching network and dedicated team captains. If you have a passion for coaching committed, energetic and attentive rugby players, this could be the job for you.
